

# BEYOND the SKIES

17 - 03 - 23

# FOREWORD

It is the absolute pleasure of the 2023 Spring Ball committee to bring you Beyond the Skies with us tonight. This year's theme was devised from the world's return to normality after the pandemic; with the growing desire to expand our own horizons after a period of essential confinement, and bring what is far away yet vital to life, closer. By inviting you to venture 'Beyond the Skies', we unlock a new terrain to be explored, inviting you to not only travel beyond the skies, but to become immersed and, eventually, a part of them. With this theme in mind we have transformed Girton into a previously unreachable world above the clouds; immersed in celestial stars, a glowing planetarium and dazzling sunsets. We hope you have as much fun tonight as we have had creating this.

*Lauren, Lauren and the GSB23 Committee*
